THE
SUPERINTENDENT'S
CONDENSED RECORD.

PHILADELPHIA:
THE AMERICAN SUNDAY-SCHOOL UNION,
No 1122 CHESTNUT STREET,

Entered, according to Act of Congress, in the year 1862, by the

AMERICAN SUNDAY-SCHOOL UNION,

In the Clerk's Office of the District Court of the United States for the Eastern District of Pennsylvania.

DIRECTIONS FOR THE USE OF THIS BOOK.

ATTENDANCE OF TEACHERS AND SCHOLARS.

HERE enter the names and residences of teachers and scholars, devoting one page—which will last one year—to each class. Mark those who are present in the morning with a stroke from right to left; those present in the afternoon, with a stroke from left to right. The mark in the column of attendance will show when the scholar entered the school. When he leaves the school, a reference should be made in the “Remarks” column of the “Minutes.”

A page in the front part of the book is also devoted to the attendance of officers.

MINUTES.

These are so arranged as to admit of the record of every circumstance of interest which can transpire in connection with the school. If carefully kept, they will present a complete history of the school.
